June 2023

Please accept this letter as an introduction to our Annual HAREP Guacamole Open Golf Tournament, for which we request your sponsorship.

The Hispanic Association of Real Estate Professionals (HAREP) was founded in 1993 by Hispanic leaders committed to increasing the rate of Hispanic homeownership. HAREP empowers advisors in the community by providing educational tools, volunteer opportunities, networking forums, legislative and regulatory support. We are the first, local Hispanic real estate organization in Arizona and one of the oldest in the nation. HAREP proudly hosts this Guacamole Open event to bring Real Estate Professionals and their Affiliates together for a day of education and networking while raising funds to support the Phoenix community we serve.

A portion of this event proceeds will benefit two local non-profit organizations: Wesley Community Center, and American Legion Post 41.

The Guacamole Open is an excellent opportunity for your company to support a worthy cause and receive valuable exposure among Real Estate, Lending and Affiliated Real Estate Industry Professionals from Phoenix metropolitan area.

Please review the annexed sponsorship levels that will help promote your company and give you maximum exposure while meeting specific budgeting needs. Either you choose to sponsor a level, donate a door prize(s) or make a symbolic contribution will make this event a successful celebration of community support.

We appreciate your consideration and look forward to hearing from you soon. Should you have any questions feel free to contact any of our 2023 Board Members.

Respectfully,

Refugio Payan  
President
